

Free and Reduced Lunch Count Trends from Fall 2003 thru Fall 2010

Colorado’s Fall 2010 Free and Reduced Lunch population was 40% (327,304) of the K-12 student count (812,723), an increase of 10% in 8 years.

The At-Risk funding portion of the School Finance Act includes students who qualify for Free Lunch. The At-Risk funding does not include the Reduced Lunch population.
