Bond, BEST, Mill Levy Override, Sales Tax District Elections 2014

Sources: School District reports to CSFP, district websites and media reports - as of October 6, 2014.

District	Election Type: Bond, BEST, Mill Levy Override, Sales Tax	Dollar Amount	Purpose	Comments (optional)
<b>1 - Total BEST Elections</b>				
<b>BEST Total dollars</b>		<b>\$325,000</b>		
<b>MILL LEVY OVERRIDE - General Operations</b>				
Arickaree R2	MLO	\$250,000	Operational, maintain services	We have used \$600,000 in reserves to operate. We will combine three grade levels and cut a minimum of two teachers and our only maintenance position, cut one bus route, raise food prices, and four day week.
Adams 12 Five Star	MLO	\$15,000,000	Providing updated textbooks, technology and instructional materials, attracting and retaining highly effective teachers, offering additional specialized classes for students and restoring preventative maintenance programs, previously cut to enhance and maintain the value of school buildings.	
Adams 14 Commerce City	MLO	\$4,980,000	Adding additional classroom support to implement new educational opportunities and programs	
Adams 50 Westminster	MLO	\$2,500,000	Support academic programming focused on Science, Technology, Engineering and Math (STEM) as well as practical vocational training, offset future budget cuts that impact classroom sizes and arts, theater and music programs, keep highly qualified teachers in the classroom and support the continued implementation of the district's successful Competency Based System (CBS).	
Bennett 29J	MLO	\$0	Increase taxes \$1,200,000 for one year (2015 collection) provided bond redemption taxes be decreased \$1,200,000 in same year with no net increase to total district tax revenues. No change in the 10.971 Mills currently levied to purchase new transportation fleet and related equipment.	
Brush RE-2(J)	MLO	\$1,100,000	6 year sunset. Restore prior year instructional cuts and prevent \$400,000 in reductions next year	District reduced budget by \$550,000 for current year.
Burlington RE-6J	MLO	3.515 Mills	Improving School safety and security; repairing existing facilities to extend their useful life; replacing student transportation vehicles, and providing relief from state and federal regulations that have limited local control.	
Cheyenne Mountain 12	MLO	n/a	Request the current total mill levy cap of 50 mills be increased to a maximum of 53 mills.	
Elizabeth	MLO	\$1,000,000	Attracting and retaining talented teachers, student and staff safety and security, classroom and instructional technology.	
Ellicott School District 22	MLO	\$75,000	Upgrade sports facilities, expires in 5 years, 5 mills.

Bond, BEST, Mill Levy Override, Sales Tax District Elections 2014

Sources: School District reports to CSFP, district websites and media reports - as of October 6, 2014.

District	Election Type: Bond, BEST, Mill Levy Override, Sales Tax	Dollar Amount	Purpose	Comments (optional)
Falcon 49	MLO	\$7,500,000	Voter approval to redirect a portion of the 2005 override for operations instead of repaying certificates of participation the district issued for capital needs. Of \$7.5M collected per year, about \$2.5M would go for operation needs: teacher compensation, educational programming, instructional technology, and safety and security.	Does not create any new tax or increase any current tax.
Fremont RE-3 Cotopaxi	MLO	\$110,000	Redirect the present Bond issue into our General Fund. The Bond will be paid off in December 2015; it is 2 mills or approximately \$110,000 per year.	
Garfield 16	MLO	\$1,171,002	To be used for educational purposes, including but not limited to: Recruiting, training, and retaining quality teachers and staff; replacing outdated textbooks and educational materials.	
Gunnison Re1J	MLO	\$2,500,000	\$2.5M to move kids forward.	District underfunded by \$1.9M from state for 14-15. District frozen for 6 years due to Negative Factor, per pupil funding at 2009 level. 5.4 mills
Harrison School District 2	MLO	\$2,500,000	STEM Education (teachers & equipment), career and vocational education, arts program	No property tax increase for homeowners; moves proceeds from retiring bonds to operations
Hayden School District RE-1	MLO	\$321,473	Improving academic growth by maintaining small class sizes, attracting & retaining highly qualified teachers and staff, and to provide adequate maintenance upgrades and renovations to facilities and equipment.	This ballot question is asking the voters to continue a current mill levy override that will sunset at the end of the current fiscal year for an additional five years.
Holyoke	MLO	2.5 MLO beginning January 2016	New 2.5 MLO beginning January 2016, extending 5 years until 2021.	
Liberty District J-4	MLO	\$265,000	Operating funds to attract and retain quality teachers and programs.	Last year we eliminated the 2 & 3rd grade position and the secondary Language Arts position and gave some our existing teachers a much heavier workload.
Mapleton	MLO	\$2,500,000	Educational purposes, expand learning opportunities for students to receive additional instruction, including summer programs; Help students continue to succeed and maintain the School District's high college acceptance rate; Provide students with technology necessary to develop and enhance the skills needed for success in college and the workplace; Attract and retain quality teachers.	
Meeker School District Re-1	MLO	\$949,921	Restore class offerings and class size; attract and retain quality staff and preserve safe learning environment for kids.	
Montrose RE-1J	MLO	\$2,900,000	Hire teachers, learning and curriculum materials, Professional Development, technology and classroom environment	We do not currently have a Mill Levy Override
Pawnee RE-12	MLO	\$4,900,000	Replace leaking Elementary school roof and repave parking lot to extend useful life of existing facilities; energy efficiency upgrades, including replacing outdated heating ventilation and A/C system; constructing and equipping classrooms for computer,
