November 2015 District Elections				
Sources: School District reports to CSFP, district websites and media reports - as of September 25, 2015, 10:30 AM Update				
District	Election Type: Bond, BEST Matching, Mill Override, Technology MLO	Dollar Amount	Purpose	Comments (optional)
BOND				
Lake City Schools / Hinsdale County RE-1	Bond	\$5,900,000	Construction of gymnasium on campus, remodel main entrance, safety and efficiency upgrades to the existing building	Only district in state without a gymnasium.
Roaring Fork RE-1	Bond	\$122,000,000	Update and renovate schools and support facilities, grounds and transportation center.	
School District 27 J	Bond	\$248,000,000	Build 4 new schools (3rd high school, 5th middle school, and 2 elementary schools), renovate and expansions to existing schools and safety & security upgrades at all district schools. 2 charters will also have funding for projects. \$10M to address some deferred maintenance - upgrades to HVAC, new flooring, carpeting, asphalt, concrete repairs. \$1.5M safety & security improvements at all schools.	Necessary to keep up with continued enrollment growth. Overcrowding caused limits to out-of-district enrolment and split schedules at high schools.
Steamboat Springs	Bond	\$92,000,000	Renovate and improve current elementary schools, alleviate overcrowding in middle & elementary schools, create third elementary school through renovating and improving existing middle school, renovate and improve current high school for conversion to middle school program, acquire, construct, and equip new high school facility to alleviate overcrowding in middle & elementary schools, provide safety and security improvements at district facilities

November 2015 District Elections				
Sources: School District reports to CSFP, district websites and media reports - as of September 25, 2015, 10:30 AM Update				
District	Election Type: Bond, BEST Matching, Mill Override, Technology MLO	Dollar Amount	Purpose	Comments (optional)
Dolores Schools	MLO	\$390,000	Continue MLO passed in 2008 which sunsets in 2015. MLO is 7% of the district's operating budget. DISCUSSED AT BOE MEETING IN AUGUST, BUT I CAN'T FIND THEIR DECISION YET	Will not increase taxes, taxes will stay the same. Community discussions underway.
Kit Carson R-1	MLO	\$150,000	Restoring critical budget cuts, mitigating future cuts, maintaining educational courses and programs, providing for increased utility costs, and recruitment and retention of teachers	
Manitou Springs District 14	MLO	\$1,800,000	3 additional mills to help offset state budget cutbacks	
Rangely RE-4	MLO	\$429,935	Educational purposes: additions & improvements in science, technology, engineering, math & other programs, attract & retain quality staff; replace outdated textbooks, materials & supplies, improve safety and security, and other necessary improvements	
Sargent	MLO	\$500,000	To recruit and retain teachers/staff and to replace and improve instructional programs. More course offerings, extra curricular activities, building maintenance and staffing.	
Steamboat Springs	MLO	\$327.5K Year 1, \$700K Year 2, \$1.98M Year 3 and beyond	Salaries and benefits for office and operational staff to operate newly constructed high school and newly established elementary school	
Weld County 8 - Fort Lupton	MLO	\$1,275,000	Continuation of existing 2006 mill levy override for 10 years, to support classroom supplies, curriculum, provide early childhood education for all district residents including preschool and all-day kindergarten, and maintenance.	Not a tax increase, important to our community during times of decreased funding from the state and the decision by the legislature to impose the negative factor to the school finance formula
