

Per Pupil Spending - Comparing 2002-03 to 2012-13
Adjusted for Inflation (Constant 2014-15 Dollars)

Data Source: NCES Digest 2015, Table 236.65. Chart: Colorado School Finance Project
Expenditures include: Instruction, support services, food services & enterprise operations.

NCES data is audited, as a result, it lags behind current year data.
