SCHOOL REORGANIZATION

SECTION 14. (1) The plan for reorganization shall contain a specific proposal for the equitable adjustment and distribution of all, or any part, of the properties and cash assets of the districts involved. In considering such equitable adjustments of the assets and liabilities as between the districts affected, the county committee shall consider the number of children of school age resident therein and the assessed valuation of the property located in each district and in part of the districts involved and affected; the purpose for which the bonded indebtedness of any district was incurred; the value, location, and disposition of all improvements located in the districts involved or affected; and any other matters which in the judgment of the committee are of importance or essential in making of aforesaid equitable adjustment.

SECTION 15. In working out any plan of reorganization of the school district within a county, or any part thereof, as provided by this Act, present district boundaries may be disregarded, and districts, or parts of district may be included in a new district proposed to be organized, it being the intent hereof to provide without regard to present boundaries for the creation of larger administra-

for the creation of larger administrative school units, or districts, having a broader tax base, in which, when it is necessary so to do, more than one attendance unit, or school, may be maintained. A "proposed district" may include areas of one or more plan for a "proposed district" situated in more than one county shall be submitted to a vote as herein provided for unless the county committee of each county involved shall have approved the plan.

SECTION 16. (1) When a proposed plan of reorganization of the school districts within a county, or part thereof, shall have been tentatively agreed upon by a county committee, a map of the proposed district, or districts, and details of the plan; which map and statement shall be placed on file with the County Superintendent, together with a statement prepared by county committee setting forth facts considered by said county committee for the information of the public as to the reasons for and benefits to be had from such proposal. The county committee shall fix a date and a place for a hearing on such proposed plan.

(2) The County Superintendent shall give notice of the filing of such map and statements by publication of said fact in a newspaper of general circulation in each of the proposed districts and by causing to be posted a copy of said notice upon each school house, in which school was held during any part of the preceding twelve months located within any such proposed district and in five other public places within any such proposed district and which notice shall give the time and place of the meeting of the county committee for hearing on such proposed plan. Any interested

person may appear at such hearing
and make objections to the proposed
plan.
