

# COMMUNICATION & TECHNICAL ASSISTANCE ON ESSER INVESTMENTS

Colorado School Finance Project (CSFP) is pleased to help school districts communicate with students, families, and their community the investments made through the federal pandemic recovery funds. This effort is made possible through a Learning and Transparency Technical Assistance Program Grant.

## SUPPORTS INCLUDE

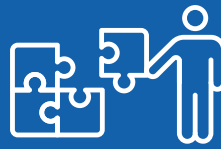

The following are examples of services available to districts and BOCES

Field Managers for personalized support

Communication resources and toolkits

Technical assistance on impact analysis

In-person and virtual workshops and trainings

### INVESTMENT IN ACTION

The federal stimulus dollars are a once-in-a-generation opportunity to support our students and to address the multi-year effects of the COVID-19 pandemic.

School districts and BOCES are doing the hard work of deploying federal pandemic recovery funds, in partnership with families and communities, to improve the lives of the students they serve.

### HELP SCHOOL DISTRICTS AND BOCES

- Transparency and communication tools on investments made
- Engagement strategies related to identifying student needs, progress being made, and adjustments to meet the evolving needs of students and communities
- Sharing best practices and lessons learned
- Communication strategies on investments and their impact

### CSFP CAN ASSIST SCHOOLS WITH ACCOMPLISHING THE FOLLOWING:

- ✓ Understanding and meeting federal requirements with ESSER-related funds
- ✓ Communicating how school districts and BOCES are using federal pandemic recovery funds
- ✓ Communicating how to engage communities in decision-making
- ✓ Communicating how to ensure transparency and accountability
