

Tax Effort and Fiscal Capacity Information for Colorado School Districts
2017-18

The Colorado School Finance Project (CSFP) created several reports about Colorado's School District Tax Effort and Fiscal Capacity for 2017-18. It is important to note that school districts have no control over what 1 mill can raise.

- Tax Effort and Fiscal Capacity 2017-18 including an overall summary and detail by school district
 - [Tax Effort and Fiscal Capacity 2017-18 Summary \(portrait mode\)](#)
 - [Tax Effort and Fiscal Capacity 2017-18 Summary \(landscape mode\)](#)
- Tax Effort and Fiscal Capacity 2017-18 by Assessed Value and type of Mill – includes pie chart and detail by school district
 - [Assessed Value](#)
