

ESSER \$s: How they make a difference

Tracie Rainey, Executive Director
Colorado School Finance Project
June 4, 2021

COLORADO SCHOOL FINANCE PROJECT

Support Children - Support The Future

**We have an
amazing
OPPORTUNITY
to tell your story**

- Finally have the dollars to do what is needed in our communities to recover
- We need to be able to show how the ESSER \$s make a difference and impact our students and communities

UNDERSTANDING ESSER

- ESSER I \$s: Addressing an immediate crisis
- ESSER II \$s: Focused on bringing stability and managing the health crisis
- ESSER III \$s: Focused on recovery and acceleration

Question 1

How does money matter when school districts make investments?

Question 2

What were your target areas?
What populations of students/programs did you identify that needed support?

Question 3

How will you be able to communicate the results and success of this to your community?

What is your metric for measurement?

Question 3: Moving beyond test scores

Tell us the “why” of what you did – your measurement of success – communicating to your community. Money does matter
