What is the Learning and Transparency Technical Assistance Grant ?

- Awarded by the Colorado Department of Education
- Began March 1, 2022 and will conclude on September 30, 2024
- Help school districts offer their families and communities transparency into the COVID relief funding made available to them, how the funds were used, the programs available for students, and how to access them, and the impacts of these programs on COVID-related needs of their students.

What will CSFP do?

CSFP will:

- Assist Colorado school districts and BOCES in carrying out the critical role of transparency and communication with families and communities, continued community engagement, the use of COVID relief funds, and the impact of those funds on addressing the COVID related needs.
- Provide technical assistance program to help school districts inform their families and communities about the programs being offered and how those programs are accelerating learning and recovery for their students.

Primary goal

Help school districts
communicate with students,
families, and their
communities the opportunities
available because of ESSER \$s
