

List of districts by voter approved Override Mills (largest to smallest mill) is on the following pages.

Override Mills reflect the number of districts that have passed elections and the number of mills assessed thus reflecting the variances across the state.

In Colorado, 114 districts (64%) have an Override Mill while 64 districts (36%) have no Override Mill.

School districts have no control over what 1 Mill can raise.

Voter Approved Mill Levy Override
