Dear CASSA and DBO members,

Yesterday we shared with you the link to a survey from the Interim Committee on School Finance about potential changes to the school funding formula. **Click [here](#) to access the survey.**

CASE Legislative Committee co-chairs Brian Ewert (Superintendent, Littleton Public Schools) and Grant Schmidt (Superintendent, Hanover School District 28) have submitted a letter to the Interim Committee that we wanted to pass along to you for your information and review. It outlines their concerns about both the feedback process set up by the Committee, as well as the survey questions themselves. **Click [here](#) to read the letter**, and please feel free to use any of the content to inform your survey feedback if that is helpful.

Thank you for your involvement in this issue.
